Re: United States v. Antoine Andre Jackson, 07 Cr. 1038 (KMK)

Dear Judge Karas:

In regard to the Motion to Suppress Statements, filed by counsel for the defendant in the above-referenced case on March 26, 2008, the Government consents to the holding of an evidentiary hearing. The Government believes that, at the hearing, witnesses will testify that the defendant did not invoke his right to counsel.

Very truly yours,
